Game Participation

Only coaches and individuals approved by the Board of Education are permitted to be on the bench, sideline or other playing field during warm-ups and games (including scrimmages).

Scheduling

All practice, scrimmage and regular season game scheduling must be coordinated with and approved by the athletic director.

By signing this form, the student and parent/legal guardian acknowledge that the student's participation is wholly voluntary and to having read and understood this provision.

The student and parent/legal guardian individually and on behalf of the student, hereby irrevocably, and unconditionally release, acquit, and forever discharge the KHSAA and its officers, agents, attorneys, representatives and employees (collectively, the "Releasees") from any and all losses, claims, demands, actions and causes of action, obligations, damages, and costs or expenses of any nature (including attorney's fees) that the student and/or parent/legal guardian incur or sustain to person, property or both, which arise out of, result from, occur during or are otherwise connected with the student's participation in interscholastic athletics if due to the ordinary negligence of the Releasees.

The student and parent/legal guardian, individually and on behalf of this student, give the high school, the KHSAA and their representatives permission to release this student's demographic information (including motion picture and still photographic images) and participation statistics (including height, weight and year in school, participation history and other performance based statistics) and other information as may be requested, and agree that the student may be photographed or otherwise digitally or electronically captured during school-based competition. All of this material may be used without permission or compensation specifically related to the KHSAA and its events.

The student and parent/legal guardian consent to this student receiving a physical examination as required by the KHSAA.

The student and parent/legal guardian, individually and on behalf of this student, consent to the high school and the KHSAA and their representatives to use and disclose the necessary personally identifiable information from the student's education records including academic, financial and health care information, to third parties including school representatives, coaches, athletic trainers, medical facilities, medical staffs, KHSAA legal counsel and the media, for the purpose of receiving proper/necessary medical care and complying with the KHSAA bylaws, including making determinations regarding eligibility to participate in interscholastic athletics and any administrative or legal proceedings resulting from participation or attempted participation in interscholastic athletics, without such disclosure constituting a violation of rights under the Family Educational Rights and Privacy Act. The student and parent/legal guardian, individually and on behalf of this student, further release the high school, the KHSAA and their representatives from any and all claims arising out of the use and disclosure of said necessary personally identifiable information, and agree to release to the high school, the KHSAA, and their representatives, upon request, the detailed and completed application for financial aid.
